

November 13, 2014

Actions from GLDT Annual Meeting

- Revise Committee Workplans and post them on the GLDT Website <http://greatlakesdredging.net/>
- Distribute revised GLDT charter and guidance document for approval at semiannual webinar
- Initiate Review of OWP Briefing Paper
- Assist ERDC in coordinating GLDT input on the OWP literature review and Great Lakes Sediment Testing Manual
- Begin discussion of providing more flexibility in the application of the federal standard

Action Request:

Extend review period until
December 15, 2014

Outreach Committee Update

Accomplishments

- Revised website (launched May 2014)
- Events Calendar (linked with GLIN)
- Committee workplans
- Posting of reports and other products

Outreach Committee Update

Priorities

- More regular communication with GLDT: (e-news; formal newsletter (semiannual)); posters; webinars; social media)
- Expanded events calendar
- Strategic messaging
- Continued enhancements to GLDT website (i.e., front page slider)
