Brown County Aerial Photography, 2010

# Cat Island in Green Bay

358,000 cy placed in 2014

# Dredge Disposal ~~Challenges~~ opportunities

- Educate Your Local Partners/Agencies
  - Connection between your port's value & need for dredging
  - Clarify that dredge material may NOT be Spoils! Rather Soils!
- Identify Potential BU Material
  - Appropriate testing as needed
  - Match material to your potential project lists
- Solutions through Partnerships
  - Creativity
  - Flexibility
  - Shared commitment
